**Subject: Convening of the Extraordinary Members' Assembly AIPM 2021**

Dear Members,

we are to inform you that the Extraordinary Assembly will be held at the Cremona-Migliaro Airport. This Assembly is important because it provides for the modification of some points of the Statute in order to bring them into line with the current laws.

After the meeting (we estimate around 13.00), lunch is scheduled directly at the Airport Restaurant. Our Recommendation, taking into account the importance of the event, is to:

1. absolutely numerous attend because it is mandatory to hold this Assembly to make those changes already anticipated at the Assembly last May in Bagnoli. We hope that the good weather will favor us to facilitate the transfer by air, but we would like to specify that the Assembly must be held in any case; in the event of bad weather, plan to opt for the "four-wheel" solution.
2. To confirm in advance your participation via e-mail (info@aipm.it) to the Aipm or WhatsUp secretariat, **strictly before 12,00 a.m. on Thursday the 9 of September** for the needs of programming both spaces and lunch specifying both the means of transport, any abbreviations of the plane, the number of participants.
3. To schedule your ETA nearly 10.30 in order to allow us to start (and finish) the Assembly on time.
4. If unable to participate, please send by e-mail to AIPM secretariat the attached proxy duly signed and written in its entirety, within on Thursday the 9 of September. It's important to have as many Attendances as possible (minimum 50% + 1 of the total Aipm Members) in order to approve the amendments of the Statute.
5. Always consult the AIPM website (www.aipm.it) to check for any communications. Please note that the poster announcing the call is displayed on the AIPM website from today.

Remember to bring the Green Pass documentation with you in case it is required.

For other details see the attached poster.

We are sure to see you numerous on this hospitable airport.

Greetings to all with a see you soon.

Il Presidente  
Francesco Frezza
